Service request screening assessment

The following questionnaire to be administered as an initial risk assessment upon receipt of a service request – this may be done by phone or by form completion.

The information you provide will be kept confidential and secure, and will only be used by UBC personnel to ensure health and safety. This information is collected under the authority of section 26(c) of the Freedom of Information and Protection of Privacy Act. Any questions about the collection of this information may be directed to safety.risk@ubc.ca or 604-822-2029.

Due to the worldwide COVID-19 pandemic, we request the below information in order provide safe and efficient service. This information will be treated as private and confidential.

Has the space been unoccupied for the past 72 hours?

- Yes - If yes, schedule regular service
- No - Continue with the questions below:

Have you or (to the best of your knowledge) has anyone in your household:

- Been outside Canada in the past 14 days
- Been diagnosed with COVID – 19 (novel coronavirus) by laboratory testing or awaiting results of COVID-19 laboratory test
- Been in close contact with someone who has been diagnosed with COVID-19 by laboratory testing or someone who is experiencing symptoms of fever, cough or difficulty breathing
- Been advised by a health care professional to self-isolate / stay at home
- Been advised via the BC COVID-19 Symptom Self-Assessment Tool to self-isolate / stay at home
- Been currently experiencing symptoms of fever, coughing or difficulty breathing

If yes to any of the above, contact ready.ubc@ubc.ca
