Step 4: Enter your credentials

The screenshot shows the UBC Duo Security authentication interface. On the left is the UBC logo with links for 'What is this?' and 'Need help?'. Below the logo, it says 'Powered by Duo Security'. On the right, there is a 'Device:' dropdown menu set to 'Landline (XXX-XXX-7052)'. Underneath, it says 'Choose an authentication method'. There are two options: 'Call Me' with a green 'Call Me' button, and 'Bypass Code' with a green 'Enter a Bypass Code' button. At the bottom, there is a checkbox labeled 'Remember me for 7 days' which is currently unchecked. A blue arrow points from the bottom of this screen towards the Step 5 instruction box.

Step 5: Complete 2 factor authentication and you will see the screen in Step 6

The screenshot shows a Canvas Catalog course page. At the top left is the 'VANCOUVER Safety & Risk Services' logo. Below it is a small image of a building with the word 'Online' underneath. The main heading is 'Preventing COVID-19 Infection in the Workplace'. Below this, it says 'Please sign in to Canvas Catalog' and 'You are currently signed in as Teela Narsih'. There is a link that says 'Sign in as another user'. At the bottom, there is a blue button labeled 'Enroll in Course'. A blue arrow points from the right towards this button.

The screenshot shows a course page for 'Preventing COVID-19 Infection in the Workplace' by the University of British Columbia's Safety & Risk Services. The page features a dark sidebar with a menu listing 'Part 1' (Course Intro Slide, Navigating the Course, Introduction, Introduction (cont'd), Learning Outcomes, What is COVID-19?) and 'Part 2' (UBC Response, UBC Response, UBC Institutional Measures). The main content area has a header with the course title and a 'START COURSE' button. Below the header is a large image of a UBC campus building at sunset. A 'NEXT >' button is visible in the bottom right corner of the content area.
